	PROOF: FIRST FLOOR TREASURY BULDING - MEMO: they refunded money in dec or jan 04, so must not be an amount due. Ask DW Doug, I located the 2001 tax return for the state of Michigan which was prepared by Steve McConnell and reviewed and signed by Deloitte & Touche. The return showed a total tax liability of \$103,115.00 less an estimated payment of \$10,000.00 for a remaining tax liability due of \$93,115.00 for 2001 which I don't think we paid. I'm not sure why they filed a claim for only \$79,083.97. I did not have a copy of their claim and have been unable to get in touch with Steve to see if he knows why there may be a difference. 4/13/05 Called Steve Flancher, atty filing claim @ 517-373-3202 to inquire about current balance, if any. In re: North American Royalties, et al.
U.S.B.C., E.D. TN, S. Div., Ch. 7 Case No. 01-17271

Dear Mark:

My paralegal, Susan, spoke with Kimberly in your office on April 11th regarding the following Proof of Claims:

Jessie W. Glasgow	Claim No. 133	\$151,016,00
Tracy Smith	Claim No. 134	No Amount Listed

It is my understanding that each of these claimants have received a portion of their funds pursuant to a Chancery Court Judgment. Please be advised that, as of this time, the preliminary figures show a dividend to unsecured claims. However, in light of the knowledge that these claims have been partially paid, without an Amended Proof of Claim, I will have no option but to object to this claim in whole and propose to allow such at \$0.00.

Alternatively, if you would provide my office with an amended claim amount and supporting documentation thereto, I will prepare an Agreed Order for your signature to allow the adjusted claim in full.

I appreciate your cooperation and look forward to resolving these issues.

Sincerely,

In re: North American Royalties, et al.
U.S.B.C., E.D. TN, S. Div., Ch. 7 Case No. 01-17271

Dear Mark:

My paralegal, Susan, spoke with Kimberly in your office on April 11th regarding the following Proof of Claims:

Jessie W. Glasgow	Claim No. 133	\$151,016.00
Tracy Smith	Claim No. 134	No Amount Listed

It is my understanding that each of these claimants have received a portion of their funds pursuant to a Chancery Court Judgment. Please be advised that, as of this time, the preliminary figures show a dividend to unsecured claims. However, in light of the knowledge that these claims have been partially paid, without an Amended Proof of Claim, I will have no option but to object to this claim in whole and propose to allow such at \$0.00.

I appreciate your cooperation and look forward to resolving these issues.

In re: North American Royalties, et al.
U.S.B.C., E.D. TN, S. Div., Ch. 7 Case No. 01-17271

Dear Robert:

As you may recall, my paralegal, Susan, spoke with you on April 8th regarding the following Proof of Claims:

Terry Allen Hall	Claim No. 601	\$ 34,464.30
Walter Dion Morrison	Claim No. 602	\$ 41,750.00
John Thornton	Claim No. 603	\$164,732.32
Chester Lane	Claim No. 604	\$ 75,000.00
James Thornton	Claim No. 605	\$162,400.00
Arville Smith	Claim No. 606	\$ 60,067.92

It is my understanding that each of these claimants have received a portion of their funds pursuant to a Chancery Court Judgment. Please be advised that, as of this time, the preliminary figures show a dividend to unsecured claims. However, in light of the knowledge that these claims have been partially paid, without an Amended Proof of Claim, I will have no option but to object to this claim in whole and propose to allow such at \$0.00.

Objection filed 8/4/05 D#1379 The \$180.00 represents prepaid group medical premium for May, June, July & August, 2002. Since coverage was dropped on 4/30/02, we do owe this to Mr. Boydston. I do not have a list of others but there probably are no others that paid the monthly premium in advance..most paid a month at a time. I believe I recall seeing this prepaid item in the records at the time so I would allow the \$180.00 as a valid claim. 	Supplemental retirement income per letter agreement. DW to check calculation. Have backup per Dave that is actually higher than the claim. Creditor may have discounted to present day. This is the plan that paid 70% of last five year average salary adjusted for qualied pension plan. See claim 720 of Gordon Street for similar explanation. Appears to be good claim except for the amount of the claim. Appears that they did not discount for present value. Company books show a liability of \$345,951.24. 01/21/06 Alan,
