

PACER Links in CM/ECF

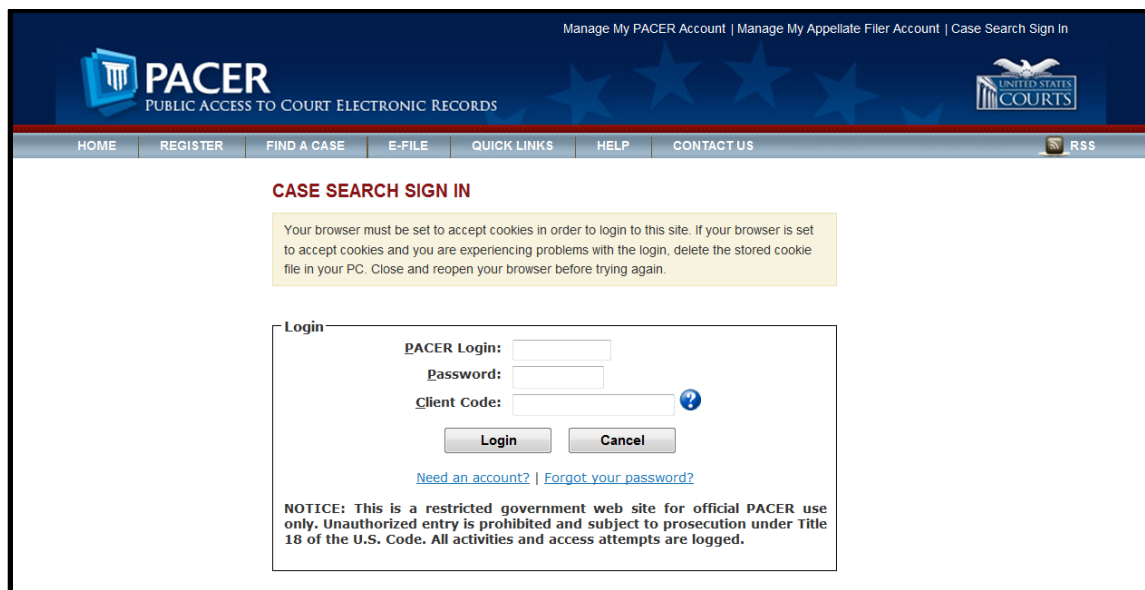

Two new menu selections appear under the *Utilities* menu to allow one to navigate quickly between CM/ECF and PACER. You won't have to leave your CM/ECF session to access another court in PACER or to use the PACER Case Locator.

The screenshot shows the CM/ECF Utilities menu. The menu items are organized into sections: 'Your Account', 'Legal Research', 'E-Orders', 'Systems Tasks', 'Miscellaneous', and 'Maintenance'. The 'Links to Other Courts' and 'Pacer Case Locator (National Index)' links are highlighted with red boxes.

When the **PACER Case Locator** link is clicked, the Case Search Sign In page displays.

The screenshot shows the PACER Case Search Sign In page. The page features a header with the PACER logo and the text 'PUBLIC ACCESS TO COURT ELECTRONIC RECORDS'. Below the header is a navigation bar with links for HOME, REGISTER, FIND A CASE, E-FILE, QUICK LINKS, HELP, CONTACT US, and RSS. The main content area is titled 'CASE SEARCH SIGN IN' and contains a message about browser cookies. Below the message is a login form with fields for PACER Login, Password, and Client Code, and buttons for Login and Cancel. At the bottom of the form are links for 'Need an account?' and 'Forgot your password?'. A notice at the bottom states: 'NOTICE: This is a restricted government web site for official PACER use only. Unauthorized entry is prohibited and subject to prosecution under Title 18 of the U.S. Code. All activities and access attempts are logged.'

PACER Links in CM/ECF

The following updates have been made to the PACER Case Locator, provided by the PACER Service Center:

- Attorney information is now extracted for bankruptcy and adversary cases
- Alias records are now returned by a search based on SSN/ITIN or Tax ID/EIN
- Debtor and Joint Debtor Disposition values are extracted on all cases for which a disposition exists.

The **Link to Other Courts** displays the Individual Court PACER links without leaving CM/ECF.

Withdraw as Attorney

Attorneys can terminate themselves in limited circumstances. This feature is court configurable, and some courts will choose to use this feature while others will not.

As an attorney, if you can certify that you have no controversy before the court and your client consents to withdrawal from the case, then you can withdraw from the case by docketing a new event, Withdraw as Attorney. This will result in you being terminated from the case and no longer receiving any notices of electronic filing for that case. (However, you may continue to receive notices of electronic filing on the same day your association as an attorney to the case is terminated.)

You will be removed from the mailing list and no longer receive any notices regarding this case. Attorneys can only terminate themselves and not the parties they represent. Parties will remain active.

The following is the declaration certifying that you have no controversy before the court and your client consents to your withdrawal from the case:

The screenshot shows the ECF system interface. At the top is a blue navigation bar with the ECF logo and menu items: Bankruptcy, Adversary, Query, Reports, Utilities, Search, and Logout. Below the navigation bar is a pink background area containing the following text:

Miscellaneous:

Attorneys for the debtor or joint debtor in a case will not be able to terminate themselves. In addition, attorneys for plaintiffs and defendants who are also debtors in the lead bankruptcy case will not be able to terminate themselves from an adversary proceeding.

Filing agents will be able to docket this event, just as if they were the attorney, withdrawing that attorney from the case.

Docket Report Enhancements

The Create Appendix option has been modified so you have more flexibility in customizing a docket report. Now you can select only the entries you want and whether you want the PDF document appended to this customized report. Or, if you just want an abbreviated docket report without attached PDF documents, you can select only the entries you need for the task at hand.

The screenshot shows the ECF Docket Sheet interface. At the top, there are navigation tabs: ECF, Bankruptcy, Adversary, Query, and Reports. The main heading is "Docket Sheet". Below this, there is a search section with a "Case number" field containing "10-10010" and a "Find This Case" button. There are radio buttons for "Filed" (selected) and "Entered", each followed by a date range selector. Below that is a "Documents" field with a "to" label and another date range selector. The interface is divided into two columns of options. The left column, titled "Include:", has three unchecked checkboxes: "Terminated parties", "Links to Notices of Electronic Filing", and "Page counts for documents". The right column, titled "Document options:", has two unchecked checkboxes: "Include headers when displaying PDF documents" and "View multiple documents". A red-bordered box highlights a section containing a checked checkbox for "Create Appendix". Below this, under the heading "Include on the Docket Sheet:", there are two radio buttons: "all docket entries in this case" (selected) and "selected docket entries only". At the bottom of the red box, there is another checked checkbox for "Include PDF documents" with the text "(select documents on the next screen)" below it.

Page Counts on Docket Report

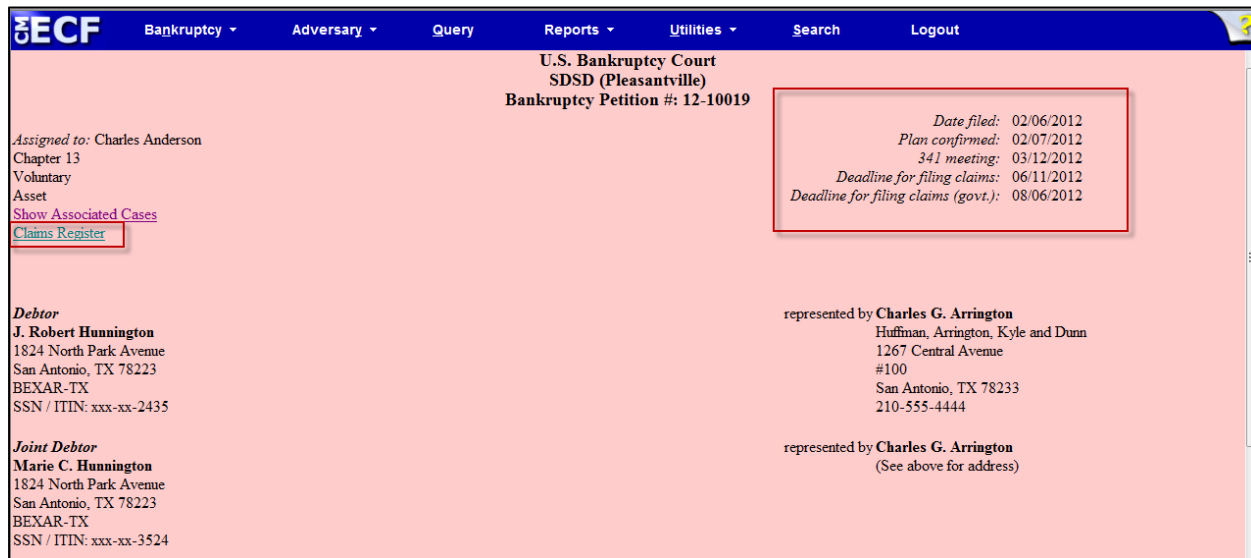

The number of pages for documents associated with a docket entry is a new option.

Knowing how big a file is helps PACER users predict the cost of viewing an attachment and also to anticipate the loading time of a document.

Critical Deadlines and Dates on the Docket Report

Additional dates and deadlines now display on the caption of the docket report. A link to the Claims Register appears whenever a case has claims filed.

The following dates will be shown, if appropriate, by chapter:

| Plan confirmed date | Deadline for filing government claims |
| 341 meeting date | Deadline for objecting to discharge |
| Deadline for filing claims | Deadline for financial management
(Chapter 7 only) |

The most recent deadline will display whether or not it is terminated.

Docket Activity Report

The Docket Activity Report has been enhanced to include time filters. The report can be run in time increments, rather than running the report for the entire day. A new clock icon offers an alternative to typing in the time.

If multiple Nature of Suits are selected for a query, CM/ECF displays a message that the search could produce many records and lead to a large billing charge.

Multiple Social Security and Identification Numbers

CM/ECF now allows up to five social security numbers and tax identifications numbers for each debtor and joint debtor.

After a social security number is entered a plus icon appears beside the SSN/TaxID/EIN field. If the debtor or joint debtor has another SSN/TaxID/EIN, click the “plus” icon for another field to be displayed for additional number(s). CM/ECF will now format the numbers if you don’t insert hyphens.

The screenshot shows the CM/ECF Debtor Information form. The SSN/ITIN field is highlighted with a red box, showing the number 589-56-8956 and a plus icon next to it, indicating that additional SSN/ITIN fields can be added. The form includes fields for Last name, Middle name, First name, Generation, Title, Office, Address 1, Address 2, Address 3, City, State, Zip, County, Country, Phone, Fax, E-mail, and Party text. There are also buttons for Alias..., Corporate parent / affiliate..., Review..., Submit, Cancel, and Clear. A note at the bottom right says: "Add all aliases and corporate parents or affiliates before clicking the Submit button."

All SSN and TaxID/EIN numbers have been included in all reports and functions throughout the application:

- On public notices and docket sheets only the last four digits of any social security or identification numbers are displayed.

Multiple Social Security and Identification Numbers

The docket sheet below is an example of how the multiple social security numbers are shown on a public notice.

The screenshot shows the ECF public notice interface. At the top is a blue navigation bar with the ECF logo and menu items: Bankruptcy, Adversary, Query, Reports, Utilities, Search, and Logout. The main content area has a light pink background. It displays the court name 'U.S. Bankruptcy Court SDDS (Pleasantville)' and the petition number '12-10059'. The filing date is '05/09/2012'. The case is assigned to Chapter 13, Voluntary, Asset. The debtor is Donna Adams, located at 120 Sunny Lane, San Antonio, TX 78956. She is represented by Dayne L. Tracy, located at 120 Legal Way, San Antonio, TX 78259. Her email is deadmail@support.aotx.uscourts.gov. A red box highlights the SSN/ITIN information: 'SSN / ITIN: xxx-xx-8956, xxx-xx-5689, xxx-xx-8956, xxx-xx-8956, xxx-xx-5621'. Below this is the U.S. Trustee information: United States Trustee, 33 Whitehall Street, 21st Floor, New York, NY 10004, 212 510-0500. At the bottom is a docket table with columns for Filing Date, #, and Docket Text.

Notice of Electronic Filing

In prior releases, when an attorney represented more than one party in a case, the attorney's email and party information were listed on the Notice of Electronic Filing (NEF) only for the first party. Now the attorney is listed for each party they represent.

Although an attorney may be listed multiple times on an NEF, the system will not send multiple emails.

The screenshot shows the ECF system interface. At the top, there is a navigation bar with the ECF logo and several menu items: Bankruptcy, Adversary, Query, Reports, Utilities, Search, and a user profile icon labeled 'L. ut'. Below the navigation bar, the page title is 'Open New Bankruptcy Case'. The main content area is titled 'U.S. Bankruptcy Court' and 'SDSD'. A link for 'Notice of Bankruptcy Case Filing' is present. The main text of the notice states: 'The following transaction was received from Liska, Deanna entered on 5/22/2012 at 8:07 AM CDT and filed on 5/21/2012 at 9:00 AM CDT'. It lists the 'Case Name' as 'Chip Randall and Sandy Randall', the 'Case Number' as '12-10067', and the 'Document Number' as '1'. A 'Docket Text' section follows, stating 'Chapter 13 Voluntary Petition . Receipt Number cc, Fee Amount \$281 Filed by Chip Randall , Sandy Randall (Liska, Deanna)'. Below this, it says 'The following document(s) are associated with this transaction:'. A 'Document description' section lists 'Main Document' with the 'Original filename' as 'R:\TRN\BK\Application Class\Web\Class PDF Files\Voluntary Petition.pdf'. An 'Electronic document Stamp' is provided with a long alphanumeric string. The notice is then categorized into two sections: '12-10067 Notice will be electronically mailed to:' and '12-10067 Notice will not be electronically mailed to:'. The first section lists 'Dayne L. Tracy on behalf of Debtor Chip Randall' and 'Dayne L. Tracy on behalf of Joint Debtor Sandy Randall', both with the email 'deadmail@support.aotx.uscourts.gov'. The second section lists the 'United States Trustee' at '33 Whitehall Street, 21st Floor, New York, NY 10004'.

Attorney and Party Association

When an attorney or trustee files a pleading, they are prompted to indicate whether they should be linked to the party they represent. In prior releases, the checkbox for the association with the attorney and party was unchecked and if the filer did not check the box, the association was not made. The checkbox for the association with the attorney and party is checked by default. The message has been updated to reflect the implications of omitting this necessary association.

Claims Summary Report

A Claims Summary Report option has been added to the Claims Register. This new format gives the viewer a snapshot overview of the claims on the case.

The screenshot shows the ECF Claims Register interface. At the top, there are navigation tabs: Bankruptcy, Adversary, Query, Reports, Utilities, Search, and Logout. Below these, the 'Claims Register' section contains several input fields: Case number (1:12-bk-10031), Creditor type (dropdown menu with 'Creditor Administrative' selected), Creditor number, Creditor name, Claim number (range), and a date range (1/1/1990 to 6/4/2012). There are also 'Sort by' options (Claim Number, Filed Date) and a 'View multiple documents' checkbox. A red box highlights the 'View claims summary report' checkbox, which is checked. At the bottom, there are 'Run Report' and 'Clear' buttons.

The Claims Summary Report box produces a condensed list of claims.

The original chapter and current chapter will also display on the Case Summary Query and the Docket Sheet for re-converted cases after Release 5. Case Summary is shown below.
